RE: *Occidental Chemical Corp. v. 21st Century Fox America, Inc., et al.*
Docket No. 2:18-cv-11273-MCA-LDW

Dear Magistrate Judge Wettre:

This evening, OxyChem filed a letter [ECF 2296] requesting that the Court “re-open” the above-captioned matter. I write to make clear that the Small Parties Group (“SPG”), including the SPG parties specifically identified in Exhibits A and B of OxyChem’s letter, opposes lifting the stay. There has been no development that warrants lifting the stay in that matter.

Although OxyChem’s request can be discussed on the conference scheduled for May 8, along with OxyChem’s subsequent filing in *Occidental Chemical Corp. v. Givaudan Fragrances Corp.*, No. 2:23-cv-01699 (D.N.J.), its letter contains numerous inaccuracies and misstatements that require a response. Therefore, the SPG plans to respond to OxyChem’s letter shortly.

Respectfully submitted,

s/ Jeffrey D. Talbert
